Thursday - 5th September 2024

Progress Update on The SEA First Aid Network Meeting

Presented by:

Brunei Darussalam RC : HJ Muhd Suhaimi HJ Ibrahim
Palang Merah Indonesia (PMI) : Dr CSP Wekadigunawan

21st Southeast Asia Leaders Meeting Bali, 5th - 6th September 2024

Background

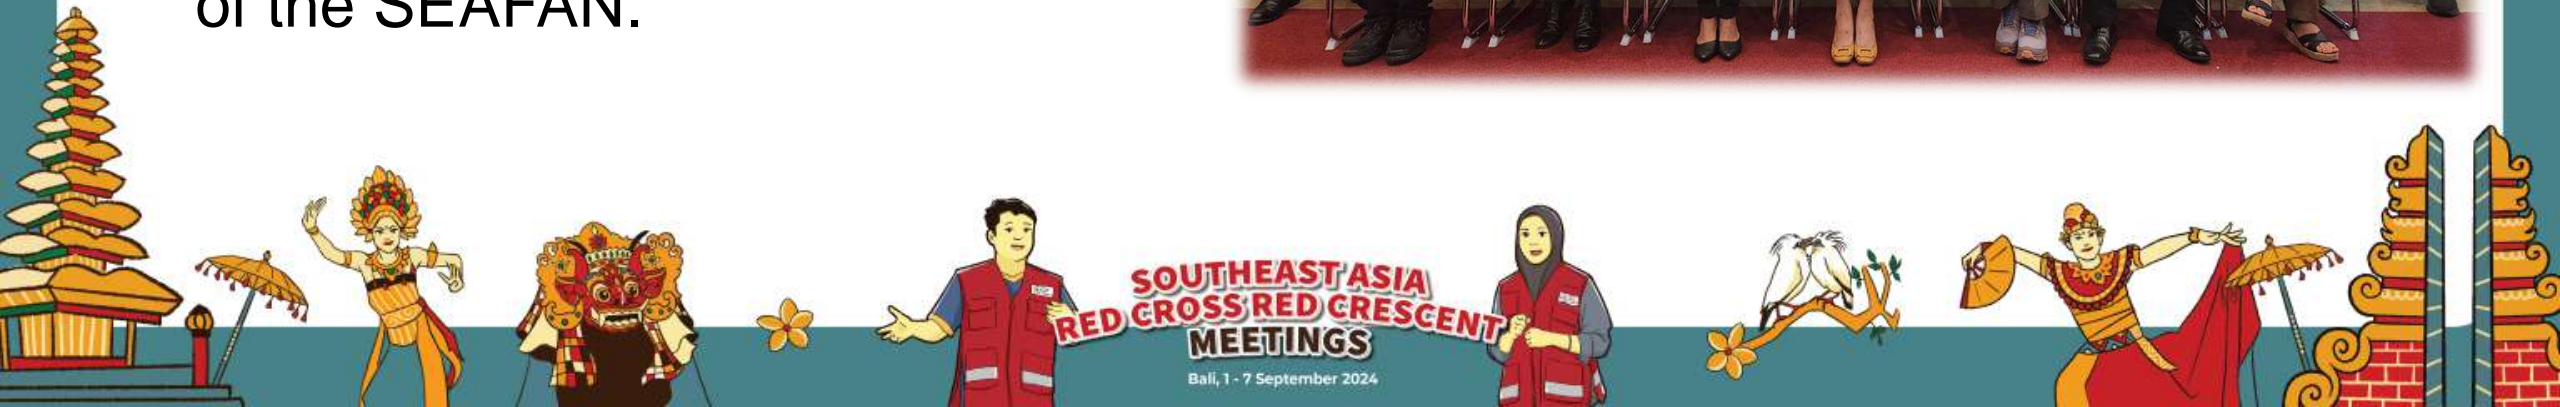

- ❑ The First Aid Network brings together Red Cross and Red Crescent (RCRC) representatives from South-East Asia (SEA), IFRC and ICRC to discuss collectively supporting to achieve the First Aid Vision 2030. This network was formed as a decision from the 19th Southeast Asia Leaders meeting, hosted by Brunei Darussalam Red Crescent Society in Bandar Seri Begawan in 2022, which also agreed on Brunei Darussalam Red Crescent Society as the first chair of the network.
- ❑ The decision included a commitment by all leaders to invest in development of Southeast Asia National Societies capacity and resources in First Aid through peer-to-peer learning and support as well as scaling up Southeast Asia National Societies capacity in community first aid and continuing to invest in the development of commercial first aid, including utilizing digital platforms.

1st Southeast Asia First Aid Network (SEAFAN) meeting held in October 2023 in Brunei Darussalam:

The SEA First Aid Network was officially launched, bringing together National Societies (NSs) across the region to collaborate, share experiences, and strengthen capacities. Referring to concept note, objectives, terms, scope of work, and roles of the SEAFAN.

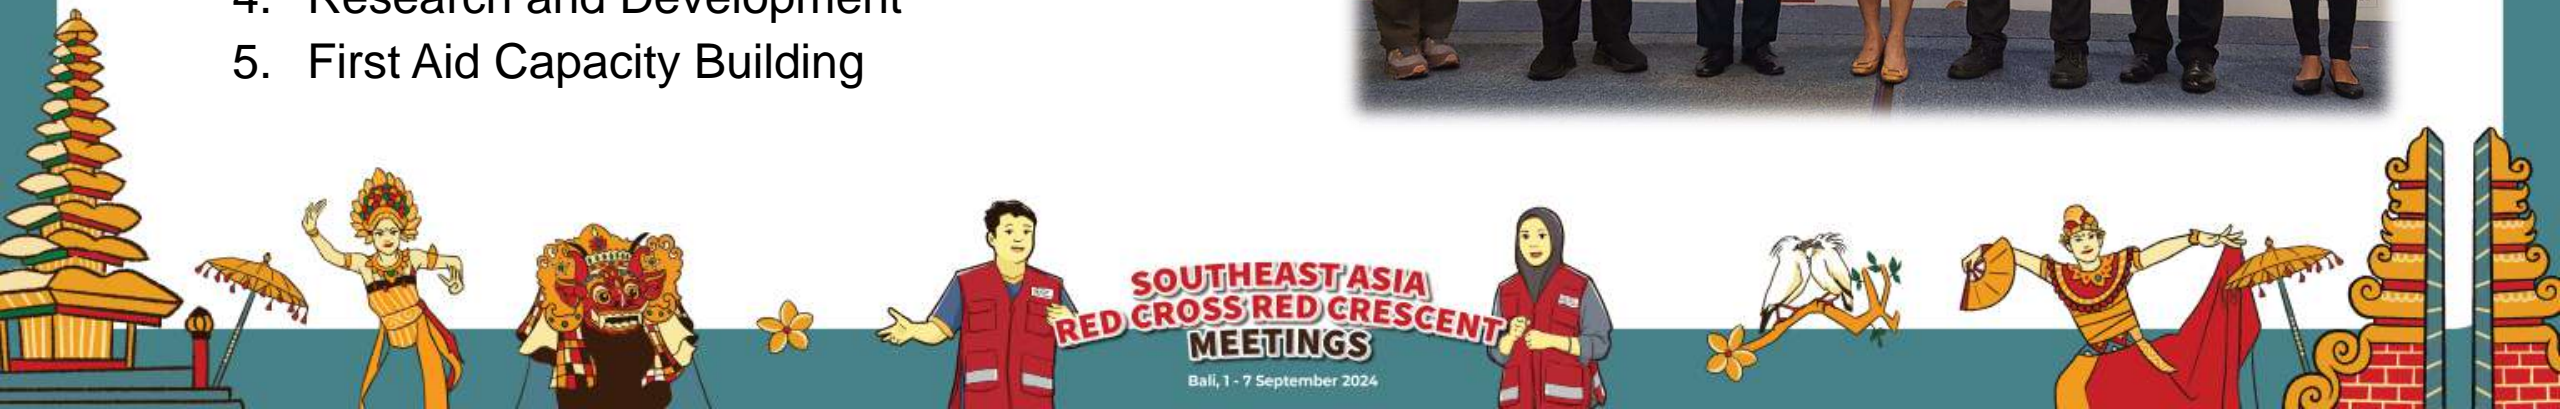

1st Southeast Asia First Aid Network (SEAFAN) meeting held in October 2023 in Brunei Darussalam:

All participating NSs signed a joint resolution, committing to support the Network and implement the annual work plan. The resolution:

1. Established of SEA First Aid Excellence Center, Hosted by Brunei Darussalam Red Crescent Society
2. Build Upon a Unified First Aid Community trough the Southeast Asia First Aid Network (SEAFAN)
3. Working toward First Aid harmonization
4. Research and Development
5. First Aid Capacity Building

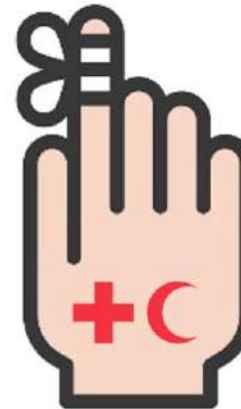

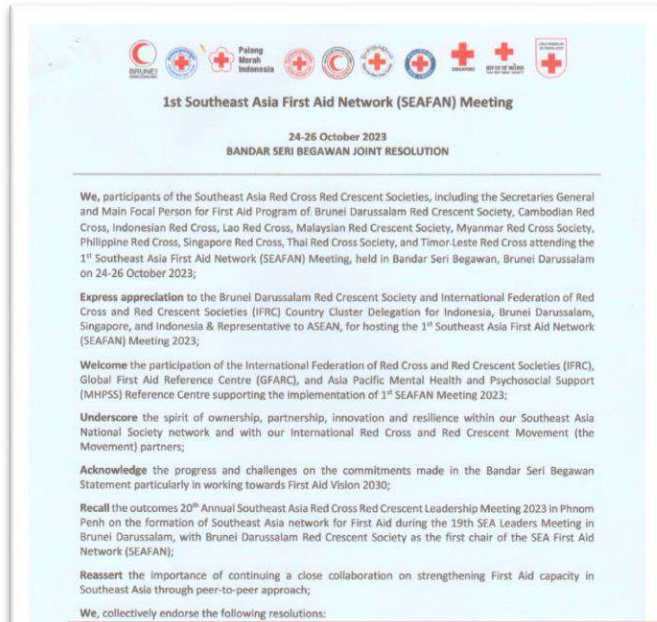

BANDAR SERI BEGAWAN JOINT RESOLUTIONS

OUTCOME REPORT

RESOLUTION ONE (1) :

ESTABLISHMENT OF SEA FIRST AID EXCELLENT CENTRE

**SOUTHEAST ASIA
FIRST AID
LEARNING HUB**

1) *Establishment of the Southeast Asia First Aid Excellence Centre*

- Establish and launch the Southeast Asia First Aid Excellence Centre as a first aid (physical first aid and psychological first aid) knowledge hub for National Societies within the Southeast Asia region. This Excellence Centre embodies the peer-to-peer learning network, facilitating dynamic knowledge exchange, innovation dissemination, and collective lessons learned around first aid practices, all tailored to the unique contexts of the Southeast Asia region.
- Agree that the Southeast Asia First Aid Excellence Centre is physically and virtually hosted by the Brunei Darussalam Red Crescent Society.

Conceptual Paper on Establishment of:
Formerly known as SEA FIRST AID EXCELLENT CENTRE to;
SOUTHEAST ASIA FIRST AID LEARNING HUB was presented at 2nd SEAFAN Meeting
3 & 4 September - Bintang Bali Resort - Denpasar.

**SOUTHEAST ASIA

MEETINGS**

Bali, 1 - 7 September 2024

BANDAR SERI BEGAWAN JOINT RESOLUTIONS

OUTCOME REPORT

RESOLUTIONS TWO (2) :

BUILD UPON A UNIFIED FIRST AID COMMUNITY THROUGH SEAFAN

2) Build Upon a Unified First Aid Community through the Southeast Asia First Aid Network (SEAFAN)

- Commit to build, strengthen, and sustain the SEA First Aid Network to promote peer to peer collaboration of first aid programming among all National societies of the Southeast Asia region, with the technical support of IFRC, GFARC and the Asia Pacific MHPSS Reference Centre.
- Foster a collaborative environment within the network, enhancing knowledge exchange and collective engagement, to strengthen and expand the first aid capabilities of each National Society in the Southeast Asia region through continuous upskilling and reskilling.
- Seek to have at least two focal points (programmatic level) representing each National Society for the Southeast Asia First Aid Network.
- Commit to jointly exploring and securing alternative resources and partnerships, including government, private sector engagement and digital fundraising strategies, to ensure the sustainability of first aid network across the Southeast Asia region.
- Agree to hold an annual SEAFAN meeting (in person or hybrid/virtual) of which the 2nd SEAFAN will be hosted and chaired by the Indonesian Red Cross in 2024. Transitioning in 2025, the annual SEAFAN can be hosted openly and voluntarily by National Societies who express their interest during the Southeast Asia network meeting.

3) Working Toward First Aid Harmonization

- Organize workshops to harmonize the global first aid guidelines that are contextualized for the National Societies in the Southeast Asia region. It will also include integration of Psychological First Aid (PFA) to the first aid guidelines. The workshops will be supported by IFRC, GFARC and Asia Pacific Region MHPSS Reference Centre.

4) Research and Development

- Contribute to the existing Working Group on First Aid Research under the GFARC, as part of promoting research and studies on first aid programming, to generate evidence-based lessons learned and practices of first aid in the field to continuously improve and strengthen the effectiveness of first aid services among the National Societies.
- Continue to advance and refine SEA first aid guidelines through comprehensive research, ensuring the incorporation of specialized modules that address the unique needs of specific demographic groups inclusively within the Southeast Asia context.

5) First Aid Capacity Building

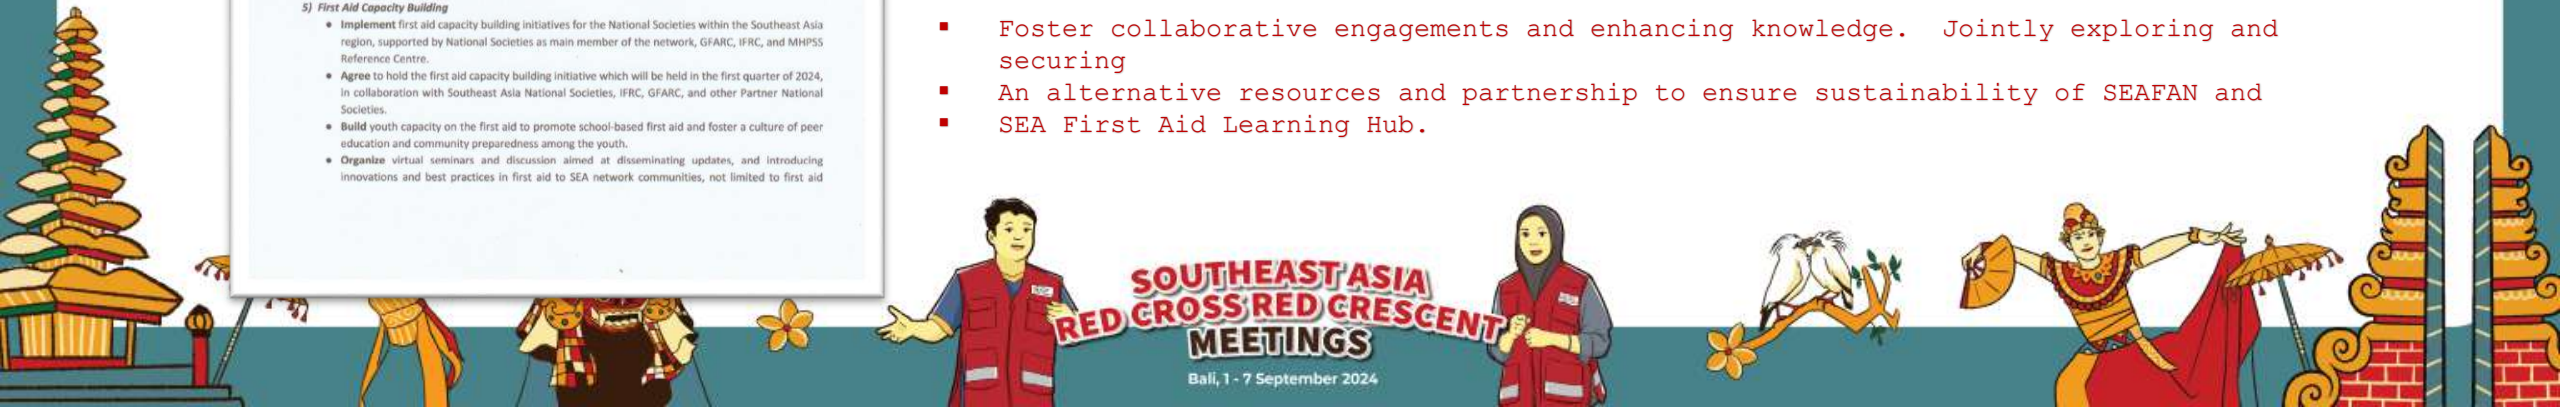

- Implement first aid capacity building initiatives for the National Societies within the Southeast Asia region, supported by National Societies as main member of the network, GFARC, IFRC, and MHPSS Reference Centre.
- Agree to hold the first aid capacity building initiative which will be held in the first quarter of 2024, in collaboration with Southeast Asia National Societies, IFRC, GFARC, and other Partner National Societies.
- Build youth capacity on the first aid to promote school-based first aid and foster a culture of peer education and community preparedness among the youth.
- Organize virtual seminars and discussion aimed at disseminating updates, and introducing innovations and best practices in first aid to SEA network communities, not limited to first aid

TO ESTABLISH COMMITMENT AND ENGAGEMENT WITH:

1. IFRC - International Federation of Red Cross and Red Crescent.
2. GFARC - Global First Aid Reference Centre.
3. MHPSS - Mental Health Psychosocial Support Centre.

All NS to appoint TWO (2) Focal Persons and registered under SEAFAN and Southeast Asia First Aid Learning Hub.

- NS Focal Persons will be responsible in all discussion, exchange ideas, technical expertise
- Commit to build, strengthen and sustain First Aid and Psychological First Aid Program in Southeast Asia.
- Foster collaborative engagements and enhancing knowledge. Jointly exploring and securing
- An alternative resources and partnership to ensure sustainability of SEAFAN and SEA First Aid Learning Hub.

OUTCOME REPORT

RESOLUTIONS FIVE (5) : FIRST AID CAPACITY BUILDING

2) **Build Upon a Unified First Aid Community through the Southeast Asia First Aid Network (SEAFAN)**

- Commit to build, strengthen, and sustain the SEA First Aid Network to promote peer to peer collaboration of first aid programming among all National societies of the Southeast Asia region, with the technical support of IFRC, GFARC and the Asia Pacific MHPSS Reference Centre.
- Foster a collaborative environment within the network, enhancing knowledge exchange and collective engagement, to strengthen and expand the first aid capabilities of each National Society in the Southeast Asia region through continuous upskilling and reskilling.
- Seek to have at least two focal points (programmatic level) representing each National Society for the Southeast Asia First Aid Network.
- Commit to jointly exploring and securing alternative resources and partnerships, including government, private sector engagement and digital fundraising strategies, to ensure the sustainability of first aid network across the Southeast Asia region.
- Agree to hold an annual SEAFAN meeting (in person or hybrid/virtual) of which the 2nd SEAFAN will be hosted and chaired by the Indonesian Red Cross in 2024. Transitioning in 2025, the annual SEAFAN can be hosted openly and voluntarily by National Societies who express their interest during the Southeast Asia network meeting.

3) **Working Toward First Aid Harmonization**

- Organize workshops to harmonize the global first aid guidelines that are contextualized for the National Societies in the Southeast Asia region. It will also include integration of Psychological First Aid (PFA) to the first aid guidelines. The workshops will be supported by IFRC, GFARC and Asia Pacific Region MHPSS Reference Centre.

4) **Research and Development**

- Contribute to the existing Working Group on First Aid Research under the GFARC, as part of promoting research and studies on first aid programming, to generate evidence-based lessons learned and practices of first aid in the field to continuously improve and strengthen the effectiveness of first aid services among the National Societies.
- Continue to advance and refine SEA first aid guidelines through comprehensive research, ensuring the incorporation of specialized modules that address the unique needs of specific demographic groups inclusively within the Southeast Asia context.

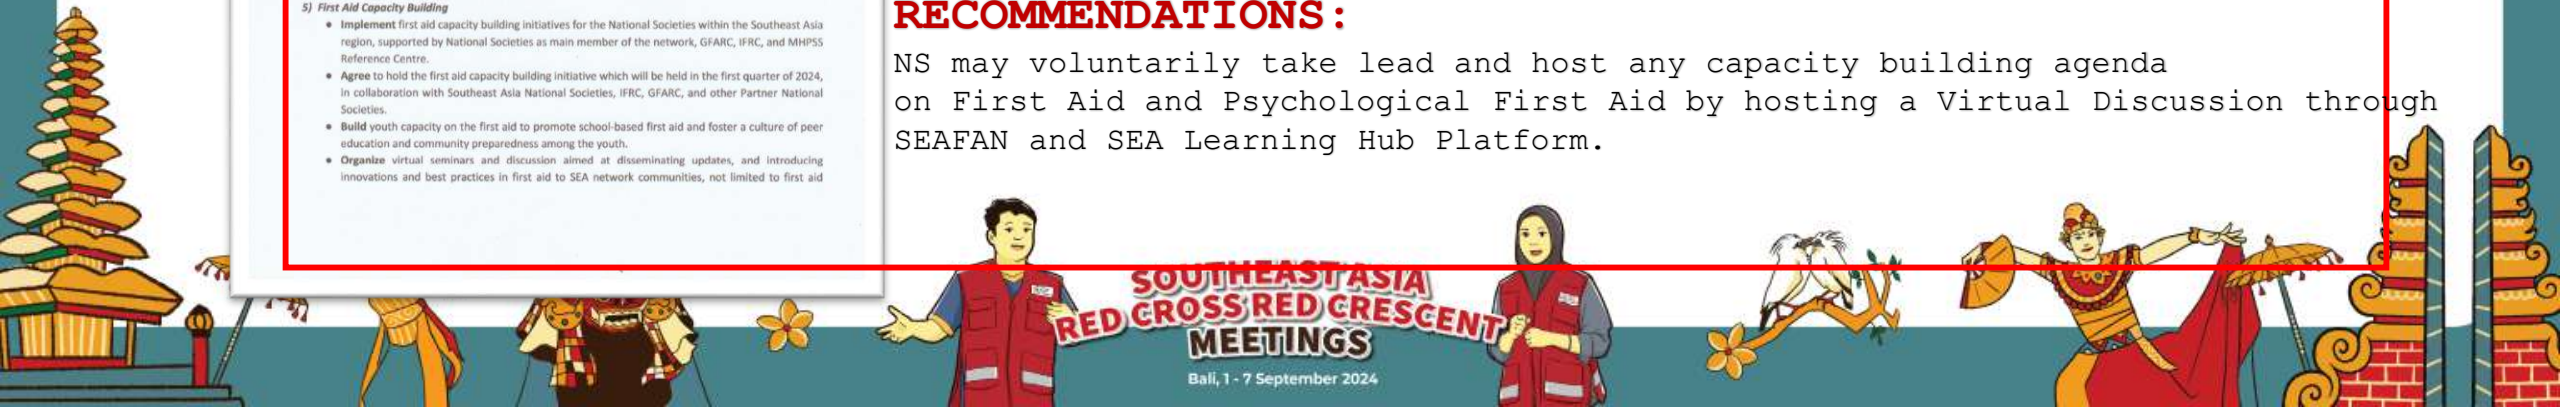

5) **First Aid Capacity Building**

- Implement first aid capacity building initiatives for the National Societies within the Southeast Asia region, supported by National Societies as main member of the network, GFARC, IFRC, and MHPSS Reference Centre.
- Agree to hold the first aid capacity building initiative which will be held in the first quarter of 2024, in collaboration with Southeast Asia National Societies, IFRC, GFARC, and other Partner National Societies.
- Build youth capacity on the first aid to promote school-based first aid and foster a culture of peer education and community preparedness among the youth.
- Organize virtual seminars and discussion aimed at disseminating updates, and introducing innovations and best practices in first aid to SEA network communities, not limited to first aid

To achieve CAPACITY BUILDING in First Aid, we need to consider:
Commitment and Active Roles and Engagements of NS and IFRC to ensure Resolutions Five (5) can be achieved.

RECOMMENDATIONS:

NS may voluntarily take lead and host any capacity building agenda on First Aid and Psychological First Aid by hosting a Virtual Discussion through SEAFAN and SEA Learning Hub Platform.

BANDAR SERI BEGAWAN JOINT RESOLUTIONS

OUTCOME REPORT

services cater to groups with special needs. Thereby fostering a well-informed ecosystem that is adaptive and responsive to advancements in the first aid field.

We, in committing to these actions, reaffirm our belief in solidarity, cooperation, and the humanitarian principles that unite us as members of the Red Cross and Red Crescent Movement.

We, express our anticipation for the continued collaboration at the 2nd Annual Southeast Asia First Aid Network (SEAFAN) Meeting in 2024, and welcome the Indonesian Red Cross Society as the Chair of this forthcoming gathering.

Resolution endorsed by the following signatories from Southeast Asia National Societies, as of 26 October 2023:

SOUTHEAST ASIA RED CROSS RED CRESCENT MEETINGS

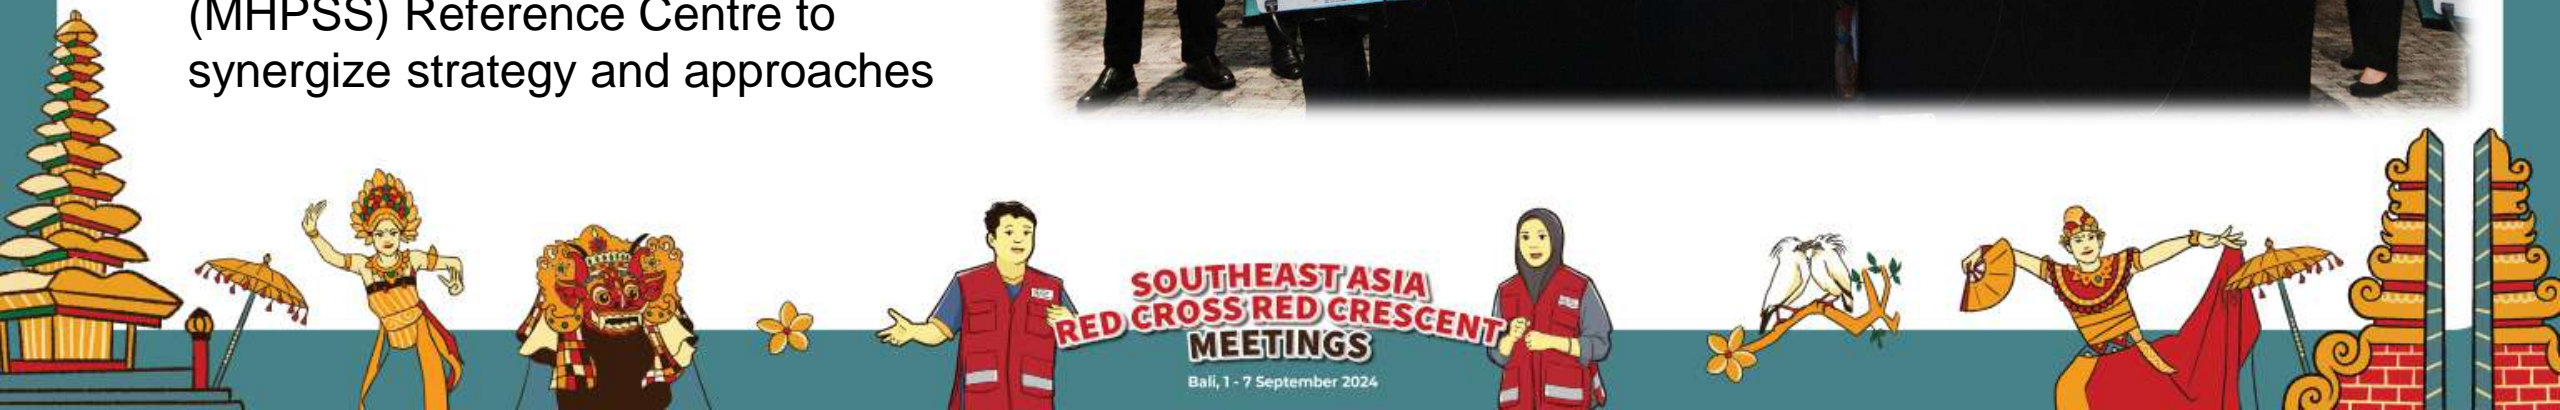

Bali, 1 - 7 September 2024

2nd Southeast Asia First Aid Network (SEAFAN) meeting held in September 2024 in Bali, Indonesia:

Attended by :

1. Representative First Aid practitioners, program manager and other key stakeholders involved in First Aid initiatives
2. Resources person from movement such as IFRC, ICRC, Global First Aid Reference Centre (GFARC) and Mental Health Psychosocial Support (MHPSS) Reference Centre to synergize strategy and approaches

Join Resolution Result 2nd SEAFAN Bali Indonesia, 3-4 September 2024

2nd Southeast Asia First Aid Network (SEAFAN) Meeting

3-4 September 2024
BALI, INDONESIA RESOLUTION

We, participants of the Southeast Asia Red Cross Red Crescent Societies as Main Focal Person for First Aid Program of Brunei Darussalam Red Crescent Society, Cambodian Red Cross, Palang Merah Indonesia, Lao Red Cross, Malaysian Red Crescent Society, Myanmar Red Cross Society, Philippine Red Cross, Singapore Red Cross, Thai Red Cross Society, Vietnam Red Cross and Cruz Vermelha de Timor-Leste CVTL attending the 2nd Southeast Asia First Aid Network (SEAFAN) Meeting, held in Bali, Indonesia on 3-4 September 2024;

Express appreciation to the Indonesian Red Cross and International Federation of Red Cross and Red Crescent Societies (IFRC) Country Cluster Delegation for Indonesia, Brunei Darussalam, Singapore, and Indonesia & Representative to ASEAN, and International Committee of The Red Cross (ICRC) Regional Delegation for Indonesia and Timor-Leste, for hosting the 2nd Southeast Asia First Aid Network (SEAFAN) Meeting 2024.

Welcome the participation of the International Federation of Red Cross and Red Crescent Societies (IFRC), Global First Aid Reference Centre (GFARC), and Asia Pacific Mental Health and Psychosocial Support (MHPSS) Collaborative, on behalf of the IFRC Reference Centre for Psychosocial Support, supporting the implementation of 2nd Southeast Asia First Aid Network (SEAFAN).

Underscore the spirit of ownership, partnership, innovation and resilience within our Southeast Asia National Society network and with our International Red Cross and Red Crescent Movement (the Movement) partners.

Recall the outcomes the 1st Southeast Asia First Aid Network Meeting 2023 in Brunei Darussalam with Indonesian Red Cross as the second chair of the SEA First Aid Network (SEAFAN);

Reassert the importance of continuing in a close collaboration on strengthening First Aid capacity in Southeast Asia through peer-to-peer approach.

We, collectively endorse the following resolutions:

1) Strengthening the Southeast Asia First Aid Network (SEAFAN)

- Commit to sustaining the SEA First Aid Network, promoting collaboration driving knowledge exchange and collective growth, and enhancing first aid capabilities among National Societies across Southeast Asia with support from IFRC, GFARC, and the Asia Pacific MHPSS Collaborative.
- Aim to have at least two dedicated focal points from each National Society representing the Southeast Asia First Aid Network.
- Commit to exploring and securing diverse resources and partnerships, including government and private sector engagement, to sustain the network across Southeast Asia.

2) First Aid Capacity Building and Training

- Implement joint first aid initiatives across Southeast Asia with support from National Societies, GFARC, IFRC, and the AP MHPSS Collaborative.
- Promote collaboration between National Societies to develop a unified First Aid training standard, including Physical and Psychological First Aid.

- Adopt the "Orientation to Psychological First Aid (PFA) module" developed by the IFRC Reference Centre for Psychosocial Support into the First Aid module and curriculum.
- AP MHPSS Collaborative would provide the technical input to conduct the Training of Trainers for First Aid trainers to facilitate the "Orientation to Psychological First Aid (PFA) module".
- Expand a regional roster of First Aid Master Educators to enhance collaboration, capacities and expertise across Southeast Asia.
- Customize and contextualize First Aid training program with target broader populations to meet the specific needs, including schools, police forces, disability, industries and cross-border collaboration.

3) Commercialization of Physical and Psychological First Aid

- Philippine RC and Singapore RC will conduct workshop on commercial first aid to improve business strategies across National Societies, while Myanmar RC will share their experience National Societies investment alliances program supported by IFRC and ICRC.
- Promote sharing of learning and promotional materials for Commercial First Aid's marketing tools through a shared platform, tailored to each country's context.

4) Digitalization and Innovation of First Aid Program

- Encourage knowledge sharing on First Aid digitalization strategies tailored to the context National Societies.
- Explore National Societies to develop guidelines and framework for profit sharing for digitalization.
- Promote innovative approaches of First Aid from different context in the National Societies.

5) Advocacy and Policy Development for First Aid Program

- Strengthen Advocacy's First Aid strategies by using experiences, challenges, and successes to develop impactful advocacy strategies with solid evidence, clear timing, key messages, and practical examples.
- Influence policy maker to advance First Aid-related policies and guidelines.
- Advocate the integration of PFA Training with First Aid into training programs internally and externally.

6) Continuation of the Southeast Asia First Aid Learning Hub

- Continue advancing the Southeast Asia First Aid Learning Hub for both physical and psychological first aid knowledge, fostering peer-to-peer learning, innovation, and shared lessons tailored to the region's needs.
- Brunei Darussalam Red Crescent Society will continue to proudly to host the learning hub, both physically and virtually, ensuring ongoing collaboration and growth.
- Continue the effort of establishing the Southeast Asia First Aid Learning Hub, defining scope of work, roles and responsibilities, and financial sustainability.

We, in committing to these actions, reaffirm our belief in solidarity, cooperation, and the humanitarian principles that unite us as members of the Red Cross and Red Crescent Movement.

We, express our anticipation for the continued collaboration at the 3rd Southeast Asia First Aid Network (SEAFAN) 2025, and welcome the Philippine Red Cross as the Chair of this forthcoming network.
