FIRST AID VISION 2030

Physical &
Psychological

First Aid is **immediate assistance**
provided to
an **ill, injured or emotionally distressed**
person
until professional help arrives.

First Aid Vision 2030, IFRC 2022

First Aid interventions seek to **preserve life, alleviate suffering, recognize risky contexts, prevent further illness or injury, and promote recovery**
not limited to

resuscitation and physical illness or injury
but

Other initial care, including **psychological first aid** include addressing **emotional and social needs** of individuals .

Priority Action

Areas:

- **FIRST AID EDUCATION**
- **PSYCHOLOGICAL FIRST AID EDUCATION**
- **STANDARD CERTIFICATION & QUALIFICATION**
- **RESEARCH, EVIDENCE & EVALUATION**
- **FA & PFA FOR SCHOOL PROGRAM**
- **COMMUNITY BASED FA & PFA PROGRAM**
- **COMMERCIAL FA & PFA PROGRAM**
- **PRE HOSPITAL EMERGENCY CARE & OPERATIONS**

First Aid is an act of **humanity**

Physical &
Psychological
